

Prayer to my Angel

"You my heavenly friend, my Angel,
You who has led me to this earth
And will lead me again through the Portal of Death
To the Spiritual home of the Human Soul
You who knows the Path for thousands of years
Do not refrain to enlighten me
To strengthen me through and through
So that out of the weaving fire of Destiny
I emerge as a stronger vessel of Destiny
And I learn to fulfill myself, more and more,
Through the meaning of Godly World's goals."
